This home might look like a little charmer from the kerb, but inside, it is a spacious, light-filled surprise offering four bedrooms, two bathrooms, and a fabulous open living/dining/kitchen area.

A flight of timber steps leads to the front porch and entry, where a wide central hallway flows past the bedrooms to the open living areas. The well-equipped kitchen will impress keen cooks with its stainless steel 900mm gas/electric range, a dishwasher, ample storage including a double pantry, an appliance cupboard to hide the toaster and kettle, and a breakfast bar for casual meals.

The expansive living and dining areas can easily accommodate a crowd for family events with glass sliders
